Hi Christie-Lee,

I wanted to reach out and introduce myself because I am working with Mike Roman and Don McGahn on the legal team for the campaign. We are currently compiling documents for election day for each of the battleground states, and we wanted to reach out to see if you have a few lawyers in Maine who might be willing to help fill out the documents for Maine.

I am happy to discuss the documents more in-depth whenever you are free today or tomorrow. The documents will take some work to fill out and we were hoping to have them completed by the middle of next week.

If you are able to help, I have attached the following documents to this e-mail:

- 1) Command and Control (C2) Document Template
- 2) Post-Election Plan (801) Document Template (This is a narrative format and should be changed based on your state's post-election process)
- 3) 801 Appendices

I am happy to discuss all of this with you whenever you are free. My cell is Redacted – Privacy

Please let me know if you have any questions or would like to discuss the documents.

Thank you,

Stuart McCommas
